## INTRODUCTION

Medical Education and Training of health professionals are a top priority for building the future and ensuring reliable health care for our community. The Medical Education Division offers a superior learning environment with an excellent range of activities according to the approved international standards and best practices

- 1. Approved Practice Setting – Basic Training:** Approved practice setting for basic training (APS-Basic) is licensed healthcare facility that provides medical education and training to future and current health professionals. APS-Basic healthcare facilities are affiliated with medical schools and work closely with healthcare students throughout their period of matriculation, and especially during their clerkship years. APS-Basic offers
  - **Basic Training:** Undergraduate and Observership
- 2. Approved Practice Setting – Intermediate Training:** Approved practice setting for intermediate training (APS-Intermediate) is licensed healthcare facility that provides medical education and training to future and current health professionals. APS-Intermediate healthcare facilities are affiliated with medical schools and work closely with healthcare students and graduates throughout their period of matriculation, and especially during their clerkship years. APS- Intermediate offers:
  - **Basic Training:** Undergraduate and Observership
  - **Intermediate Training:** Return to Practice, Clinical Training and Internship
- 3. Approved Practice Setting – Advanced Training:** Approved practice setting for Advanced training (APS-Advanced) is licensed healthcare that provides medical education and training to future and current health professionals. APS-Advanced healthcare facilities are affiliated with medical schools and work closely with healthcare students and graduates throughout their period of matriculation, and especially during their clerkship years. APS- Advanced offers:
  - **Basic Training:** Undergraduate and Observership
  - **Intermediate Training:** Return to Practice, Clinical Training and Internship
  - **Advanced Training:** Residency and Fellowship
