INTRODUCTION

Medical Education and Training of health professionals are a top priority for building the future and ensuring reliable health care for our community. The Medical Education Division offers a superior learning environment with an excellent range of activities according to the approved international standards and best practices

- 1. Approved Practice Setting – Basic Training:** *Approved practice setting for basic training (APS-Basic) is licensed healthcare facility that provides medical education and training to future and current health professionals. APS-Basic healthcare facilities are affiliated with medical schools and work closely with healthcare students throughout their period of matriculation, and especially during their clerkship years. APS-Basic offers*
 - **Basic Training:** *Observership for undergraduates and graduates*
- 2. Approved Practice Setting – Intermediate Training:** *Approved practice setting for intermediate training (APS-Intermediate) is licensed healthcare facility that provides medical education and training to future and current health professionals. APS-Intermediate healthcare facilities are affiliated with medical schools and work closely with healthcare students and graduates throughout their period of matriculation, and especially during their clerkship years. APS- Intermediate offers:*
 - **Basic Training:** *Observership for undergraduates and graduates*
 - **Intermediate Training:** *Internship (Medical and Dental) and Clinical Training (Return Back to Practice or Gap of Practice,)*
- 3. Approved Practice Setting – Advanced Training:** *Approved practice setting for Advanced training (APS-Advanced) is licensed healthcare that provides medical education and training to future and current health professionals. APS-Advanced healthcare facilities are affiliated with medical schools and work closely with healthcare students and graduates throughout their period of matriculation, and especially during their clerkship years. APS- Advanced offers:*
 - **Basic Training:** *Observership for undergraduate and graduates*
 - **Intermediate Training:** *Internship and Clinical Training (previously called Return Back to Practice or Gap of Practice)*
 - **Advanced Training:** *Residency and Fellowship*
